

CAREER OPPORTUNITY

Founded in 1986, People's Oriented Program Implementation (POPI) is a growing Non-Government Organization (NGO) working across the country. POPI has been at the forefront of country's social and economic endeavor since inception. It envisions a prudent nation free from hunger and poverty where every citizen leads a life with dignity and equity. POPI pursues a mission to work for and with people irrespective of religion, caste, ethnicity, creed, belief, age and gender who are in any form marginalization and exclusion. POPI's programs revolves around six major areas including education, livelihood development, health, rights and governance, DRR & CCA and Financial Services. At present POPI is working in 29 districts across Bangladesh with an effective network of regional, zonal, branch and field offices.

POPI invites application from the experienced professionals with proven track record for the following position for its **Scaling Up Flood Forecast-based Action and Learning (SUFAL-II)** Project. Working areas of the program are Sunamganj (Dormopasha) and Netrokona (Khaliajuri).
